MedicusHealth

Innovative Healthcare Solutions through Better Product Design

FusionONE+™
ProGlide™

Model 7418M4

For examinations

Fusing the accessibility of a power table and the affordability of a fixed-height box table, the FusionONE+ ProGlide offers the features healthcare providers need most.

Featuring a power back, this hi-lo exam table can accommodate multiple specialties. It enables simple ADA access and ease of examination for patients of all ages and abilities. The power backrest makes it easy to lie patients back and sit them up safely and comfortably.

The OneTouch WheelBase® System makes moving our ProGlide™ Series of products as easy as pushing a pedal. The integrated central-locking wheelbase with an intuitive foot pedal enables staff to move the equipment easily and quickly for cleaning, then lock it solidly into place for exams.
