

power4011^p

ultra procedure chair

Ultra Procedure Chair with OneTouch Patient Positioning® System Hand and Foot Control

For procedures

The power4011p is a product of extensive research and clinical feedback, developed to improve patient care and streamline the work of healthcare providers, such as OB/GYN and Oncology professionals.

Designed for procedures, the power4011p meets ADA and U.S. Access Board regulations and accommodates the needs of most patients.
