

Shown in treatment height with back style A (610), two tone vanity panel, USB charging port, heat + massage, and fold-away table

Curated for the highest quality of care and aesthetic, the Alō combines form + function to create a stunning selection for any healthcare facility. Completely customizable, the Alō offers premium selections as standard features, allowing maximum flexibility to design the look you need without sacrificing acute functionality. Powered recline, heat + massage, and USB charging port provide modern conveniences and comfort for patients during treatment. Available in two working heights (*treatment* and *recovery*) to accommodate any patient seating need.
